Town Launches Re-designed Website

We are pleased to announce the launch of our newly designed website. Our web address is the same www.kittyhawknc.gov but the look is completely new.

From the homepage you can easily access information about upcoming meetings, community news, departments, etc. If you are looking for quick information, check out the “? How Do I” tab in the top navigation for frequently asked questions. We have also added Quick Links for the most commonly viewed topics.
